

SharePoint Solutions Pavilion

Showcase your SharePoint products at info360 next June in NYC—the largest event focused exclusively on enterprise information management. The New York venue means the Pavilion will attract thousands of Fortune 500 and key vertical industry decision makers looking for the latest SharePoint solutions in collaboration tools, ECM, WCM and BI.

Reserve your turn-key kiosk at the SharePoint Solutions Pavilion. Because if you have SharePoint products, there's no easier, more economical way to meet your markets.

- Demo Kiosk as depicted with customized graphics—your color logo on white header and two full bleed panels
- 18" Monitor
- Electric (500W)
- Hard line internet
- Lead retrieval device
- Stool, wastebasket and literature rack
- 200 lbs. of material handling (sent to advanced warehouse)
- Daily porter and vacuum service
- (1) conference pass

Value Added Deliverables:

- Inclusion in all marketing pieces—digital, direct mail and email blasts
- Strategically located at the front entrance of the info360 expo floor
- Highlighted placement on the expo hall floorplan, online and the onsite Show Guide Map
- Dedicated online website page promoting all partners
- Traffic builders —downloadable show logos, banner ads, event description, customized electronic expo hall pass for your customers, and access to the registered press list
- **NEW** Access to the online attendee matchmaking tool
- Onsite signage directing attendees to the pavilion area
- Onsite press kit distribution

Participant investment: \$10,000
